*This Christmas we offer you
gifts of Comfort and Joy!*

The comfort is in knowing that the jewelry you give is made with the quality and craftsmanship you've come to expect from The King's Jewelers. Also, unlike most gifts, gemstones maintain their value through the years.

The joy comes from knowing your gift will be a constant reminder of love not only this Christmas but also in the days to come. And when times get hard, a reminder of your love will mean so much more!

Inside this special holiday issue of The King's Journal, you'll find many gift giving ideas which we hope will bring comfort and joy to you and your family for years to come.

Where are they now?

In response to the many inquiries, here is a McConnell family update.

Bill and Lynn enjoy retirement in Vancouver, British Columbia, although over the summer, they "cowboy'd up" living in Jackson, Wyoming. While they were there, they hiked, river rafted, bird watched, and invited all the family to visit. Bill wanted to make sure we told our clients that, "I miss you all and enjoy seeing you when I stop by the store during our visits to Walnut Creek."

Dave and Laura's children recently began attending school, a big change from the home schooling they have always done. The kids love their after-school activities, and Dave and Laura are kept busy coaching, cheering and encouraging. The whole family treasures their time at North Creek Church.

Craig and Melanie are amazed at how fast their daughter is growing, and are having fun introducing her to all the activities and places they love, such as Disneyland and Canada. Craig still manages to squeeze in time off-roading and jetskiing.

Cathy and Jim love being North Carolinians, even though they've spent so much time this year travelling. They visited Wyoming, California, New York, and many states in between. They still enjoy jewelry designing and creating The King's Journal.

So what's new with you? We'd love to get a letter, email or even a postcard letting us know what's going on with you and your family!

We would like to thank Lorraine Henney for being a part of the clan at The King's Jewelers and wish her well spending time with her family.
